### *Grand Illuminated Evening Procession*

#### **RULES & CONDITIONS OF ENTRY**

- 1) All entries forms must be returned by the Saturday preceding Procession Day, at the latest.
- 2) All persons enter the procession at their own risk.
- 3) Gillingham Carnival Committee accepts no liability for any injury, loss or damage to persons or property at any events organised for or by them.
- 4) It is the responsibility of entrants to ensure appropriate insurance cover is obtained.
- 5) Entries must be for the class that is applicable. Entries that are entered into an incorrect class will be transferred to a more appropriate class. The Procession Secretary's decision will be final in this respect. Every effort will be made to notify the entry but this may not always be possible.
- 6) One person per entry is to be authorised and named as the Responsible Person, and will be responsible for both float and participants. The Responsible Person must ensure that all participants connected with the entry are aware of the Rules and Conditions of Entry.
- 7) No entry is to exceed 5.5m in height (due to overhead wires) and 30m in length.
- 8) Marshals Instructions – please obey marshals' instructions; they will not have time to explain the whys and wherefore but all decisions are made for the good of the carnival as a whole. Public and participant safety is their prime concern at all times.
- 9) Entries must be in the assembly area by 6.00pm, no vehicles will be admitted after this time.
- 10) Entries may arrive at the Assembly Area from 3.30pm, if entries arrive before this time they may have to be moved onto the correct position.
- 11) Entries should check in on arrival at the Assembly Area. This is a safety requirement and also helps with marshalling arrangements.
- 12) If an Entrants arrival is delayed please contact the Chief Marshal, Tim Kingsmill on 07903 843590 or the Carnival Chairperson, Mary Bailey on 07902 730 498 and every effort will be made to include you in the procession.
- 13) Entries must stay in the position allocated at the Assembly Area until called into procession order by a Marshal.
- 14) No alcohol is to be carried on or with the Entry or to be consumed by entrants.
- 15) Distribution of articles only by walkers and not from vehicles.
- 16) A START sign will be displayed. The route will be broken up into sections so that judging can be done fairly, please be aware of judges en route.
- 17) The Judges decision is final and entrants must not approach the judges in order to discuss or dispute the judgment.
- 18) Entries must make every effort to keep up with the flow of the procession to avoid undue gaps appearing in the procession.
- 19) In the event of emergency Entries should pull over to the left hand side to allow emergency vehicles to pass.
- 20) Vehicle breakdowns should be reported to the nearest Marshal without delay.
- 21) At the end of the route a FINISH sign will be displayed after which Entries must proceed as far as possible into the Dispersal Area. Those wishing to dismantle should pull over to the left hand side so allowing others to pass. Do not block the roadway as this can cause hold ups which tailback and hold up the Procession on the route itself.
- 22) Entries disregarding rules and conditions of entry will be reported to the Procession Secretary and may result in points being deducted or disqualification and removal from the procession.
- 23) Gillingham Carnival Committee reserves the right to refuse or remove any entry that they consider to be unsafe or to present a danger to the public.
- 24) Trophies are to be returned by 30<sup>th</sup> June of the following year.
